the zikr and
doa to recite
with audio

BRIEF TECHNOLOGY

Stress occurs when a person's heart is restless. It is important that we know how to deal with stress. As a Muslim the best way to relieve stress is to recite zikr. **Harmony** is an Augmented Reality (AR) mobile application that apply the Name of Allah (Asma'ul Husna) as zikr. The uniqueness of this application is it comes with flashcards of 10 different emotions as the AR marker.

PROBLEM STATEMENT & CURRENT ISSUES

Movement control order (MCO) in Malaysia lead to negative psychological impacts, including acute stress reaction and long term post-traumatic stress disorder.

Meditation is an individual activity uses several techniques such as mindfulness or focusing the mind on a particular object or thought. The purpose of meditation is to train attention and awareness and achieve a mentally clear and emotionally calm and stable state (Hanif, 2020).

INVENTIVENESS & NOVELTY

Harmony mobile application is a new alternative to reduce stress using zikr the Name of Allah. Furthermore, this application applying new technology such as AR, to make the user more attach and attracted to use the application.

USEFULNESS & APPLICATION

- User can directly access Asma'ul Husna's video without internet connection.
- User has access to easy and beneficial Asma'ul Husna's zikr and doa by only having the flashcards.
- User has access on how to pronounce these zikr by using the audio that will appear using Augmented Reality.

IMPACT OF THE PRODUCT

"Harmony: Zikir Asma'ul Husna" is an alternative way to reduce stress. It is a platform for the user to learn more about the Name of Allah and also apply the zikr daily based on their emotions. Therefore, Harmony application can encourage happy life living for the user.

MARKET POTENTIAL

- Harmony is a new way to perform zikr in controlling negative emotions in oneself
- Harmony is the first Asma'ul Husna mobile application that has AR technology with zikr that based on user's emotion.
- Harmony has huge potential to be market. The flashcards can be sold on its own or maybe collaborate with Islamic author to be apart of Asma'ul Husna book.
